

# 4TH ANNUAL GOODWILL GALA BUILDING GOOD FUTURES

Heart of Texas Goodwill is excited to hold its 4th annual gala on September 21st, 2024. The past few years have been filled with new construction and remodeling projects. We are grateful for the ability to expand and improve our infrastructure and the ways in which these projects have positively impacted our community by enhancing our services and programs, enriching our partnerships with other non-profits and growing our internal employment opportunities. Come celebrate these accomplishments and join Goodwill in its journey to building more good futures in our community.
